

## **GOD IS GOOD**

God was good,  
in creating the earth.  
God was good,  
when Mary gave birth.

God was good,  
at the cross.  
and my soul no more,  
is at a loss.

God was good,  
when He gave me a wife.  
God was good,  
when He took her life.

God is good,  
in His perfect plan.  
He knows what's best,  
for all of man.

His arms around me,  
the pain withstood.  
He meets my needs,  
God is good.
